

The Circle of Life

from The Lion King

Nants ingonyama bagithi Baba [Here comes a lion, Father]

Sithi uhm ingonyama [Oh yes, it's a lion]

Nants ingonyama bagithi baba

Sithi uhhmm ingonyama

Ingonyama

Siyo Nqoba

[We're going to conquer]

Ingonyama

Ingonyama nengw' enamabala [A lion and a leopard come to this
open place]

[Chant repeats]

From the day we arrive on the planet

And blinking, step into the sun

There's more to see than can ever be seen

More to do than can ever be done

There's far too much to take in here

More to find than can ever be found

But the sun rolling high

Through the sapphire sky

Keeps great and small on the endless round

It's the Circle of Life

And it moves us all

Through despair and hope

Through faith and love
Till we find our place
On the path unwinding
In the Circle
The Circle of Life

It's the Circle of Life
And it moves us all
Through despair and hope
Through faith and love
Till we find our place
On the path unwinding
In the Circle
The Circle of Life
