

There's Somethin' Goin' on in Bethlehem

By Janet Paschal

Verse 1

Why have shepherds left their sheep,
On the hillside fast asleep?
Why have wise men traveled from so far?

What's that sound the whole world hears?
Are there angel choirs near?
Have you seen so bright a star?

There's somethin' goin' on in Bethlehem
There's a special feeling in the air
There's somethin' goin' on in Bethlehem
Heaven has come down, to this tiny sleepy town
There's somethin' goin' on in Bethlehem.

Verse 2

Who's this child that Mary holds?
Is He the one the prophets told (us)
Would come and bring salvation to us all?

Could it really be this child,
who will redeem and reconcile?
Lying in this simple wooden stall?

There's somethin' goin' on in Bethlehem
There's a special feeling in the air
There's somethin' goin' on in Bethlehem.
Heaven has come down, to this tiny sleepy town
There's somethin' goin' on in Bethlehem.

[Guitar solo / Piano solo]

There's somethin' goin' on in Bethlehem
There's a special feeling in the air
There's somethin' goin' on in Bethlehem.
Heaven has come down, to this tiny sleepy town
There's somethin' goin' on in Bethlehem.
Oh, There's somethin' goin' on, There's somethin' goin' on,
There's somethin' goin' on....in Bethlehem. (mmm)
