Earth Wind & Fire

Sleigh bells ringing, are you listening? In the lane, where snow is glistening
A beautiful sight, happy tonight, Walking in a Winter Wonderland
Blue birds are gone, away the new bird's here to stay and sing a song
We'll stroll along, sing-ing our song, in Winter Wonderland

**Dance, Winter Wonderland, ha, ha

In the meadow, we can build a snowman, pretend he is Parson Brown
**We'll find romance when we start to dance in Winter Wonderland
We'll find romance when we start to dance in Winter Wonderland**

**He'll say,
Married are you , we'll say no, oh man
do the job when you get home As we
dream by the fire, what we have conspired
And celebrate our Winter plans...Wonderland**
