

## In The /// (In The Stone)

Earth Wind & Fire

*I found that love, provides the key  
unlocks, the heart and souls, of you  
and me  
Love will love, to sing your song,  
Love is written in the stone*

*Every man, I meet is walking time  
Free to wander, past his conscious  
mind,  
Love will come, and take you home-  
Love is written, in the stone*

*Do you believe, my friend, in what  
you claim, people of the world,  
All doubt the same  
bringing questions of their own  
truth is written, In the stone*

*In the stone, you'll find the meaning  
Why you're not standing tall*

*Life experience a passing day  
Time will witness, what the ole  
Folks say  
getting stronger every day  
Strength is written in the stone-  
Deep inside, our hearts for us  
To keep-lies a spark of light that  
Never sleeps  
The greatest, you've ever known-  
Yea is written In the stone*

*In the stone, you'll find the meaning  
Why you're not standing tall  
In the stone  
The light is shining, forever touching  
all-*

*Never, never my darling, never you'll  
Be alone  
Ever, ever my darling  
True love is written in the stone-*
