

Unity of Sacramento Worship Celebration Schedule

The following worship schedule outlines the Sunday Lessons, Teachers, and Notes for the Months of May-August 2024

Given recent concerns that Rev. Kev is “too controlling” concerning Sunday Morning Music Selections, my expectation is that this calendar be filled with musical selections from the Music Department. I trust fully and completely in your capacity to source music for our services that are in keeping with Unity principles and that align with the scheduled messages and maintain the standard of excellence for which we have grown accustomed.

Rev. Eric will populate this schedule with the most fitting Daily Word selections for the theme. Please discuss this schedule in upcoming STAFF meetings and make necessary adjustments accordingly in a collaborative fashion.
