

Unity of Sacramento Worship Celebration Schedule August 2023-December 2023

The following worship schedule outlines the Sunday Lessons, Teachers, Scriptural References, Musical Requests, and Video Testimonial Requests for the Months of August and September of 2023.

Please share this content with essential person's only. Wherever special requests are made – either for music or a person to participate in any way, comes directly from Rev. Kev after much prayer and through the inspiration of the Holy Spirit. Wherever possible, please give every effort to meet these special requests in service to the overall harmony and coherence of the worship celebration experience.

Furthermore, those individuals who are being asked to provide video testimonials are being asked to do so, as a new edition to the Sunday Worship Celebration, where community members who volunteer their time and give of their treasure, will be asked to share in a brief video testimonial to answer the prompt, "What inspires them to give and serve God at Unity of Sacramento?" Mrs. Suhir Bruce, Rev. Kev's Executive Assistant will be tasked with contacting, coordinating with and scheduling with A/V to schedule these tapings.

Effective immediately, Thursday Night Live Sessions will go on immediate hiatus until further notice. Let this be announced in this week's staff meeting and newsletter.

Thursdays shall remain open for taping and editing of the I AM UOS Sunday Video Vignettes that will be played weekly in the Sunday Service immediately before the love offering is collected. A full discussion and briefing will take place at the upcoming staff meeting with Rev. E. Thank you for your cooperation.

The following "medley" I wish for Chet and Redahlia to learn in order that it may be taught to the choir for "pray in" each Sunday before the service. Ultimately, this medley will played on Sunday during the portion of the service where we pray. I have sent them recordings of the songs and I will be available following the service this week to run through the song with them.

Medley Lyrics:

I Have So Much to Thank God For...

**I have so much, sooooo much
To thank God, thank God for**

**I have so much, sooo much
To thank God for**

**God makes a way for me
God gives me victory
God opens doors for me
That I'm unable to see**

Soooo much to thank God for...

Yes Lord

**Yes Looooord!
Yes Looooood!
From the bottom of my heart
To the depths of my soul**

**Yes Looooord!
Completely Yes!
My Soul Says Yes!**
