Dreams
(Vashawn Mitchell)

[Chorus:]
Dreams are possible
Dreams come true you know
Dreams take time to grow
If you believe
Dreams are achievable
Dreams they never go
Dreams are a part of you
If you believe in your dreams

Thought you couldn't but can
Thought you wouldn't but you will
All things are possible
Nothings unreachable
If you believe in your dreams

[Chorus]

You may have messed up, start again
Thought you failed, you can win
All things are possible
Nothings unreachable
If you believe in your dreams

Don't give up, on your dreams
All things are possible
If you believe in your dreams

[Chorus]

Keep dreaming your dreams
You have inside...
