

# **I Forgive Me**

by Tim McAfee Lewis

I forgive you, I forgive you  
Everything that I've been holding on to, I let go.  
I surrender, I surrender.  
I'm ready for my change  
I'm ready for my change

I forgive them, I forgive them  
Everything that I've been holding on to, I let go.  
I surrender, I surrender.  
I'm ready for my change  
I'm ready for my change

I forgive me, I forgive me  
Everything that I've been holding on to, I let go.  
I surrender, I surrender.  
I'm ready for my change  
I'm ready for my change  
I'm ready for my change
