

Lyrics - "Optimistic - Sounds of Blackness"

The blackness Keep, keep on
Never say die Keep, keep on
The blackness Keep, keep on
Never say die Keep, keep on
Keep, keep on The blackness
Never say die Keep, keep, keep
Never say die Keep, keep on
Never say die The blackness
Keep, keep on Never say die

When in the midst of sorrow
You can't see up when looking down
A brighter day tomorrow will bring, oh

You hear the voice of reason
Telling you this can't never be done
No matter how hard reality seems
Just hold on to your dreams, yeah

Don't give up and don't give in
Although it seems you never win
You will always pass the test
As long as you keep your head to the sky

You can win as long as you keep your head to the sky
You can win as long as you keep your head to the sky
Face toward the sky
Be optimistic

If things around you crumble
No, you don't have to stumble and fall
Keep pushing on and don't you look back, oh

I know of storms and strife
I been around them all of life
Just think ahead and you'll be inspired
To reach higher and higher

You'll always do your best
If you learn to never say never
You may be down, but you're not out
Just be optimistic

Don't give up and don't give in
Although it seems you never win
You will always pass the test
As long as you keep your head to the sky
(My, my, my)
You can win as long as you keep your head to the sky (you can
win child)
You can win as long as you keep your head to the sky
Face toward the sky
Be optimistic

Don't you let no body stop you
As long as you keep your head to the sky
Be optimistic
You can win
As long as you keep your head to the sky
Be optimistic
You can win.....
