

BE OPTIMISTIC – by Sounds of Blackness

1. When in the midst of sorrow, you can't see up while looking down

A brighter day tomorrow will bring, oh

You hear the voice of reason telling you this can never be done

No matter how hard reality seems, just hold on to your dreams, yeah

Don't give up & don't give in although it seems you never win

You will always pass the test

As long as you keep your head to the sky

You can win, (you can win) as long as you keep your head to the sky

You can win, (you can win), as long as you keep your head to the sky

Face toward the sky – **BE OPTIMISTIC!**

2. If things around you crumble no, you don't have to stumble and fall

Keep pushing on and don't you look back, oh

I know of storms and strife I've been around them all my life

Just think ahead and you'll be inspired to reach higher and higher

You'll always do you best if you learn to never say never

You may be down, but you're not out

Just be optimistic!

Don't give up and don't give in, although it seems you never win

You will always pass the test

As long as you keep your head to the sky My, my, my

You can win (you can win) as long as you keep your head to the sky
