

Lyrics - "We Celebrate You"

By Chet Chwalik

You were there for me, like when I skinned my knee
You gave a hug, a gentle kiss, things I love and often miss
You gave me direction, and protection,

We Celebrate You, We Celebrate You
For who you are, you are a star,
We Celebrate You, We Celebrate You
For you, your love, and so much more, We Celebrate You.

You gave me your heart, you were there from the start
You and your smile, all the while, loving and supporting me
You saw in me, what I couldn't see

We Celebrate You, We Celebrate You
For who you are, you are a star,
We Celebrate You, We Celebrate You
For you, your love, and so much more, We Celebrate You.

You helped me be, who I am
You helped shape me, in what I am
You helped show me, right from wrong
You helped guide me, all along...
