

Absolute Truth

(by Rev. Charles Cooper)

God is the Absolute Truth, God is unchangeable
God is the Absolute Truth, God's incomparable.

Unlimited, unconditional, all powerful and complete
God is the Absolute Truth, unfolding inside of me.

God is the Absolute Truth, God is unchangeable
God is the Absolute Truth, God's indescribable.

Unlimited, unconditional, all powerful and complete
God is the Absolute Truth, unfolding inside of me.

Verse 1

God's not a fantasy
Your every wish is God's command
God's not some wizard
Living in never-never land

But God is creator, omnipotent
The source and the air what we breathe

God is the Absolute Truth
Unfolding inside of me. [back to Chorus]

Verse 2

God's not a graving image,
with long hair, a beard and blue eyes
God's not vengeful judge, raining fire from the sky
But God is compassion, peace and joy
love that can heal the world

God is the Absolute Truth
unfolding inside of me.

Bridge

Unfolding, unfolding, unfolding inside of me,
Unfolding, unfolding, unfolding inside of me.
