

All For One

by Rev. Charles Cooper

Verse1

Sometimes in life
There are mountains to climb
Sometimes-dark cloud
Prevent the sunshine

But when you're in need
Of someone to understand
I'll help you to succeed
Just take my hand

Chorus:

Cause all for one
And one for all
We will stand together
Come whatever

All for one
And one for all
Hand and hand forever

We are a family
You can depend on me

Verse 2

Sometimes in life
There are rivers to cross
We can't see our way
Sometimes we get lost

But when you need a friend
I'll be there with open arms
On me you can depend
To shelter you from harm

Back to chorus...then bridge

Bridge

Together we are invincible
We can do the impossible
Together we can change the world
Cause we believe (We believe)
Cause we believe

Back to Chorus (opt: 2X)...then special
vamp

Oh, oh, oh, stand...stand...we will stand....
We will stand together, come whatever

Ending tag

We are a family
You can depend on me.
