

I'm Living in The Overflow
Written by Rev Charles

I'm living in the overflow
I'm bathing in the afterglow
God's favor on me more and more
I'm living in the overflow

I'm living in the overflow
No good thing will God withhold
The best is yet to unfold
I'm living in the overflow

Overflow.....

I wanna flow over (Altos)

Fill me up, till I overflow
Fill me up, Fill me up (Tenors/Bass)

Overflow.....Overflow (Sop)
