

I'm Manifesting Change....aka...The Mike Dooly Song
Words & Music Rev Charles Cooper

Chorus

I'm manifesting Change in my life
I'm manifesting Change in my life

I've got a higher consciousness
Of who and what I can be

I'm filled with infinite possibilities
I'm manifesting Change

Repeat Again

Bridge;

I wake up in the morning
With a new attitude
My heart is filled
With gratitude

I say to myself
What else can go right?
I'm walking in your
Glorious light
