

Inner Light

(by Rev. Charles Cooper and Noah Hayes)

As I look around the world today,
It seems so crazy, people are going insane.
Whether locked in our homes or on the streets,
There's no safety, seems like it's all in vain.
But I'm determined that we'll overcome
And send this message of love to everyone.

Shine your Inner Light, in the midst of darkness
Shine your Inner Light in the midst of pain
Shine your Inner Light when things are the hardest
Shine your Inner Light, together we'll make a change.
||: Come on and shine, come on and shine, shine
Come on and shine, your Inner Light. :||

As I look around the world today, too many are dying.
Living in poverty.
Extremism, Racism, no justice in the legal system,
Hopeless, filled with skepticism, and my people don't know what
to do.
But I'm determined that I'll take a stand.
And send this message of love, across the land.

Shine your Inner Light, in the midst of darkness
Shine your Inner Light in the midst of pain
Shine your Inner Light in the face of injustice
Shine your Inner Light, together we'll make a change.

||: Come on and shine, come on and shine, shine
Come on and shine, your Inner Light. :||

Shine your Inner Light, in the midst of sorrow,
Shine your Inner Light, for a brighter tomorrow.

Shine your Inner Light, in the midst of darkness
Shine your Inner Light in the midst of pain. [modulation]
