

Visualize - 2023 Concert version

Written by Rev. Charles Cooper

Visualize what you want to be
Visualize your new destiny
Picture yourself soaring above
Imagine yourself filled with love

Visualize your prosperity
Visualize living courageously
Picture yourself filled with success
Imagine yourself happy and blessed

Pre Chorus

I have the power within
To transform, triumph and to win

Chorus

I have a vision for my life
A powerful God vision for my life
I have a vision for my life
A powerful God vision for my life

I have a vision for my life
A powerful God vision for my life
I have a vision for my life
A powerful God vision for my life

Eyes have not seen
Ears have not heard
All the wonderful things
God has in store

Keep walking by faith
And not by sight
One day you'll breakthrough
To your new life
