

WE ALL BELONG
by Rev. Charles Cooper

Verse 1

**We all belong, we all belong, we all belong to the family of God
We all belong, we all belong, we all belong to God's infinite Love
And together we'll walk, hand in hand
Side by side we will take, take a stand
We will stand up for love...all over the world
Cause, we all belong, we all belong
We all belong to the family God, We belong.....we belong**

(Recite Prayer of Protection)

Verse 2

**We all belong, we all belong, we all belong to the family of God
We all belong, we all belong, we all belong to God's infinite Love
And together with open hearts and hands
Everywhere we go, we'll take a stand
We will stand up for love....all over the world
For, we all belong, we all belong, we all belong to the family of God
We belong.....**
