When Will I See You Again?

Right from the start I thought I knew, I thought our time would always last.
And now I've something to ask...When Will I See You Again?
Tomorrow comes, another day. I think of all those times gone by.
And at the sudden thought of you, I have to smile once again.
How wonderful, how marvelous those times were!
Now a memory and I'm sad and blue, but happy they were with you.
When time has passed and we're apart, I know that life can have its ways.
Even so, I must know, When Will I See You Again?

Special thank you to all those who contributed to help further my education!

Thank you to Dr. Joe Gilman for his infinite wisdom.

Thank you to Linda Ramos of Good Measure Baking.
